

WUNPAWNG JAWNGMA HTE RAMMA HPUNG ALL KACHIN STUDENTS AND YOUTH UNION

All Kachin Students and Youth Union's 6th Conference Announcement

All Kachin Students and Youth Union (AKSYU) had been held sixth conference in Myitkyina, Kachin State on August 7th - 8th, 2014 and central executive committee members also elected from the conference.

After all representatives from conference agreed to use the name of All Kachin Youth Union (AKYU), and then the representatives dissolved All Kachin Students and Youth Union (AKSYU).

We changed this name because we have some other reason as we try to stay and work inside Burma. AKYU wants to have genuine Federal Union in Burma, and it will work for national affairs and youth empowerment.

And the following were vision, goal, and objective;

Vision: To achieve an authentic Federal Union in Burma.

Goal: To build free, justice, equal and peaceful society in Burma.

Objective: To safeguard the national interest of Kachin through youth empowerment.
