Background

On June 30, 2014, the Department of the Treasury's Office of Foreign Assets Control (OFAC) amended and reissued in their entirety the Burmese Sanctions Regulations, 31 CFR part 537 (the "Regulations"), to implement Executive Order 13448 of October 18, 2007, "Blocking Property and Prohibiting Certain Transactions Related to Burma," Executive Order 13464 of April 30, 2008, "Blocking Property and Prohibiting Certain Transactions Related to Burma," Executive Order 13619 of July 11, 2012, "Blocking Property of Persons Threatening the Peace,

Security, or Stability of Burma,” and Executive Order 13651 of August 6, 2013, “Prohibiting Certain Imports of Burmese Jadeite and Rubies” (79 FR 37106).

Following Burma’s peaceful and competitive elections in 2015, the U.S. Government is taking additional steps to support Burma’s political reforms and broad-based economic growth.

Transactions related to U.S. persons residing in Burma. OFAC is adding a general license in section 537.525 to authorize certain transactions related to maintenance of U.S. persons residing in Burma, including payment of living expenses and acquisition of goods or services for personal use. This general license complements the existing exemption in section 537.210(c) of the Regulations for travel to or from Burma, including maintenance within Burma, such as payment of living expenses and acquisition of goods or services for personal use.

Trade-related transactions. In December 2015, OFAC issued and made available on its website General License No. 20, a six-month general license authorizing certain transactions ordinarily incident to exportations to or from Burma of goods, technology, or non-financial services that are otherwise prohibited by the Regulations and unblocking certain previously blocked transactions. Today, OFAC is amending the Regulations by adding section 537.532 to incorporate that general license, to remove its six-month time limitation, and to expand this authorization to allow additional transactions incident to the movement of goods within Burma.

Banking services. In February 2013, OFAC issued and made available on its website General License No. 19, and subsequently added this authorization to the Regulations at section

537.531, authorizing most transactions, including opening and maintaining accounts and conducting other financial services, involving four of Burma's major financial institutions that were then included on OFAC's Specially Designated Nationals and Blocked Persons List (SDN List): Asia Green Development Bank, Ayeyarwady Bank, Myanmar Economic Bank (MEB), and Myanmar Investment and Commercial Bank (MICB). In an action coordinated with these regulatory amendments, OFAC has delisted two of these financial institutions, MEB and MICB. As a result of that action, transactions involving these two institutions are no longer prohibited and therefore do not require an OFAC license. Accordingly, OFAC is amending section 537.531 to remove their names. At the same time, to further support Burma's broad-based economic growth, OFAC is adding two other Burmese financial institutions, Innwa Bank and Myawaddy Bank, to the general license at section 537.531, thereby authorizing most transactions involving those institutions.

Public Participation

Because the Regulations involve a foreign affairs function, the provisions of Executive Order 12866 and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601-612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the “Reporting, Procedures and Penalties Regulations”). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget under control number 1505-0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

Subpart E—Licenses, Authorizations, and Statements of Licensing Policy

2. Add § 537.525 to read as follows:

§ 537.525 Certain transactions related to U.S. persons residing in Burma authorized.

(a) U.S. persons are authorized to engage in transactions in Burma ordinarily incident to the routine and necessary maintenance within Burma, including payment of living expenses and acquisition of goods or services for personal use, of U.S. person individuals who reside in Burma.

(b) Nothing in this section authorizes transactions related to employment of a U.S. person by a person whose property and interests in property are blocked pursuant to § 537.201(a).

Note to § 537.525: See § 537.210(c) for an exemption for transactions ordinarily incident to travel to or from Burma, including maintenance within Burma, such as payment of living expenses and acquisition of goods or services for personal use.

3. Amend § 537.531 by revising the section heading, revising paragraphs (a), (b), and (d), and revising the Note to § 537.531 to read as follows:

Note to § 537.531: As a result of the authorization contained in this section, the special measures against Burma imposed under Section 311 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT) Act of 2001 (Pub. L. 107-56) (USA PATRIOT Act) do not apply to the operation of correspondent accounts for Asia Green Development Bank, Ayeyarwady Bank, Innwa Bank, and Myawaddy Bank, or to transactions conducted through such accounts, provided the transactions are authorized pursuant to this part, and therefore fall within the exception set forth in 31 CFR 1010.651(b)(3). This section does not affect any obligation of U.S. financial institutions processing such transactions to conduct enhanced due diligence under Section 312 of the USA PATRIOT Act. See 31 CFR 1010.610(c).

(2) A U.S. financial institution to advise or confirm any financing by a person whose property and interests in property are blocked pursuant to § 537.201(a).

(d) Certain transactions incident to the movement of goods within Burma authorized.

Except as provided in paragraph (e) of this section, all transactions otherwise prohibited by §§ 537.201 and 537.202 that are ordinarily incident to the movement of goods within Burma are authorized, provided the goods are not being sent to, from, or on behalf of a person whose property and interests in property are blocked pursuant to § 537.201(a).

(1) The unblocking of any property or interests in property that were blocked pursuant to § 537.201(a).
