The meeting focused on the need to clarify the practical processes of the all-inclusive peace process now being led by the NLD government. The UNFC has asked for the clarification for government's approach to the all-inclusive peace process with regard to the 21<sup>st</sup> Century Panglong Conference (the Union Peace Conference) as well as the NCA.

For further discussion with the State Counsellor who is presiding over the UPDJC, the representatives at the meeting today discussed preparation for the upcoming meeting between the UNFC leadership led by the Chairman and the State Counsellor. The meeting is tentatively agreed to be held in mid-July, 2016 in Rangoon.
